Our Global Network

Our services cater to customers in both the new and used vehicle markets.

Our partnerships include: **Final Mile New Factory Vehicles**

- Ford, GM, Kia, Nissan
- Union Pacific Railroad
- Glovis Logistics
- Loup Logistics Used Vehicles to Auto Auctions
- Cox Automotive (Manheim)
- KAR Auction Services (ADESA)
- Numerous independent auto auctions
- 4,000 car dealerships in the US

The RoadMap® System has many features that allow for sales and transportation communication enhancements. These key features include:

- ✓ **Direct link to ASI** will improve data input accuracy and overall efficiencies
- ✓ **VIN scanning capabilities** with automatic input into tracking system
- ✓ **Easy viewing access** to determine the stage of any pick-up or delivery
- ✓ **Instant status communication** to the sales team or customer
- ✓ **Pictures taken** to document vehicle condition upon pick-up or delivery limiting liabilities
- ✓ **Immediate recall of data** allows an auction to respond quickly to resolve situations

Quality & Satisfaction

We uphold a high standard of performance and adhere to strict terms and procedures to provide the best quality of services. Since you deserve the best, DAS offers you a smarter way to operate with world-class standards. With the biggest network in the industry, we can serve you anywhere in North America.

Accreditations

We follow the standards established by the respected governing bodies in the automotive industry as well as compliance with Canadian government testing and import licensing.

Given the distinguished honor of being named in **Auto Remarketing's 2018 and 2019 Power 300 list** of powerful companies in the remarketing industry.

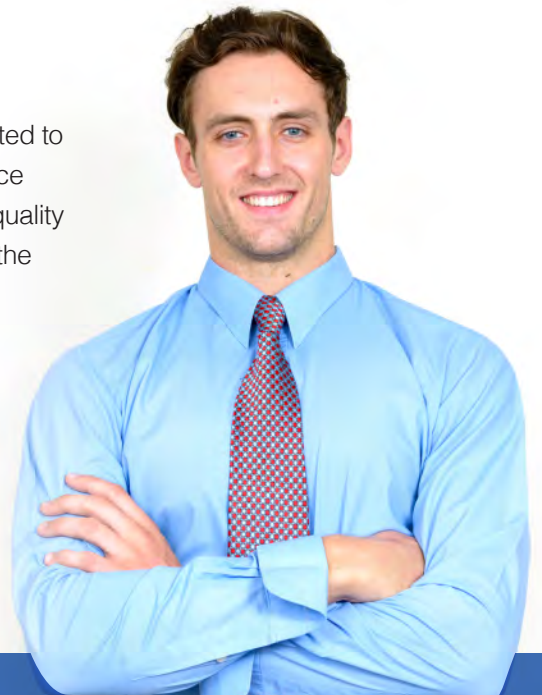

Safety & Security

The safety of your vehicles and our people is our top priority.

We adapt to any situation and build the solutions for it. We are committed to offer our clients the best quality standards while adhering to compliance policies and safety training. We regularly conduct internal safety and quality audits. These audits cover all activities relating to the management of the quality system.

We also provide certificate of insurance for optimal coverage levels. We employ third-party risk management company Johnston & Associates to provide unbiased safety auditing and claim management.

Reliability

We are the trusted partner for the automotive industry.

Our commitment to meeting deadlines and delivering premium services all year long in high volumes has built strong partnerships with our customers. Headquartered in Hendersonville, TN with a footprint in both the United States and Canada moving 20 thousand vehicles weekly and cleaning 10 thousand vehicles weekly.

Cutting-edge Solutions

DAS innovates constantly and provides clients with the smartest way to operate.

We integrate technology such as our Roadmap App, Recon Matrix and Recon Scorecard into each of our core services to ease and facilitate all of our operations. New applications are in development for mobile reconditioning, labor placement and sourcing.

United States

- 5,000 Full and Part Time Reliable and Trusted Professionals
- 8,000 Automotive Dealership Customers
- 58 Drive Service and Labor locations
- 23 Vehicle Detail Shops
- 7 Paint/Body and Mechanical Shops
- 5 Railhead or New Vehicle Final Mile Operations
- Nationwide Mobile Detailing and De-Identification

Canada

- Established 2019

AUCTIONTIRES ONLINE

Tire Specialists

ATO is the largest supplier of new and used tires to auto auctions.

National account agreements with both Goodyear and Bridgestone allows ATO to offer tires directly from the manufacturers at wholesale prices. "Premium" lines such as Goodyear, Dunlop, Bridgestone, Firestone, and Toyo as well as "economy" lines such as Fusion, Fierce, Kelly, Venezia, Thunderer, and Americus.

DIRECT

Inspections you can trust.

RRVEHICLE
INSPECTORS™
A ROADRUNNER SERVICES LLC. COMPANY

Vehicle Inspections

Providing inspectors for you at your location, under your supervision as labor or we can perform our own industry accepted mobile vehicle inspection.

Our agents report damage, mechanical repairs, codes displayed on an OBD II scanner and will take additional pictures of the vehicle, including specific parts per request.

Our customers include traditional auto auctions, online auto auctions, captive finance companies, dealer trade companies and dealerships. For some clients, combining ancillary services such as inspections or mobile detailing with our drive service is a logical and efficient solution.

A ROADRUNNER AFFILIATE

Our history speaks volumes of our quality of care and commitment. We offer Same-Day and Next -Day driveaway services for auto auctions, rental car services, leasing offices, and new car dealerships in states of Illinois, Wisconsin, and Michigan.

Same-day & Next-day Driveaway Services

Competitiveness

Our drivers are equipped with advanced tracking device and software for easy vehicle tracking. We are in regular contact with them during a shipment so if there were any delay on the road, you will be

Dependability

We take pride in our on-time and damage-free drive away services. Our drivers are competent, dependable and courteous. Your convenience and complete care for your vehicles from start to finish are our top priorities.

Quality Care

We want to ensure that you are confident in engaging our services. Any one of our representatives would be pleased to offer you additional information so that you have what it takes to make an informed decision.

Transportation Specialists

No matter you want to pick up your vehicles from a rail yard, a port, an auction, or any other places, **VRS** has your land transportation covered. Our well-trained drivers ensure each of your vehicles gets to their destination safely and on time.

Drive-Away Service

Our consistently fast, safe, and reliable drive away service is what made who we are today.

Your vehicle is an important asset, and we will treat it as good as you do. We will pick up your vehicle as requested, and deliver it safely and on time for an affordable cost.

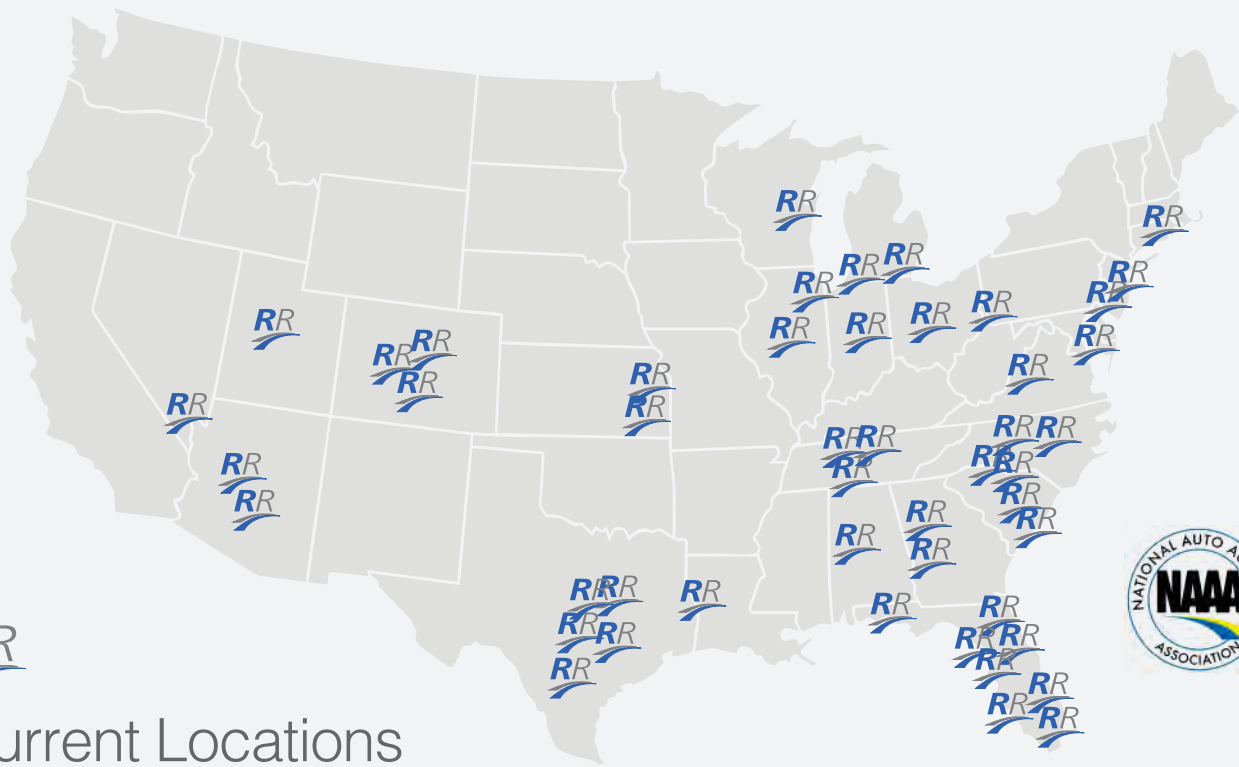

Auto Detail Service

Talk about customer service, we will detail your vehicle at your location to save you time and we bring everything we need. Our detailing service provides: hand wash and rinse, clay bar treatment, polish with orbital machine, sealer protectant and wax finish. We also include shampooing and vacuuming the trunk and interior, car seat treatments, debris removal, and wheels and tires cleaned and polished.

We also provide a detail package that you can customize to add restoration and repair to your interior and or exterior services. This could include: headlight restoration, stain and tar removal, windshield repair, interior tears, burns, rips, carpet restoration and dye and paintless dent repair!
